

Applying to Graduate with an MS or PhD

All masters and doctoral students must indicate their intent to graduate from Georgia Tech the term prior to their graduation by completing the **Online Application for Graduation (OAG)** www.buzzport.gatech.edu . If you have previously applied but did not graduate, you must repeat the process, in order to graduate. OAG deadlines can be found on the Registrar's Calendar.

MS/PhD Candidates

If you are enrolled as a PhD student, but applying for a master's degree, you will need to declare the MS program as a secondary major using the **Graduate Level Change Form**.

Enrollment Status

If you will not be enrolled during your graduating term, you will need to complete the **Enrollment Waiver Form**. The enrollment waiver applies to students who will complete all degree requirements prior to the close of Phase II Registration for the term in which they plan to graduate.
